The USA Disaster Relief Corps is organized for the purpose of providing mobile disaster relief and assistance to the public solely in conjunction with federal, state, and local government emergency management authorities. The USADRC is fully funded, and it neither accepts any donations from the public, nor does it receive any compensation for the services it provides. For further information about the USADRC, and how a Memorandum of Understanding can be formally established, please go to www.usadrc.us.

Alexis Fire Equipment Company would like to thank the USA Disaster Relief Corps for their business.
